text to speech.
for free. Highlights:
atform.
Use the drop down menu and you can choose to pin the extension so that it will always appear along the top.

You can use this extension and have it read anything on the internet out loud to you.

If you need to have read-aloud a text document or want to convert a photo of a page of text to a text document these are the next steps.

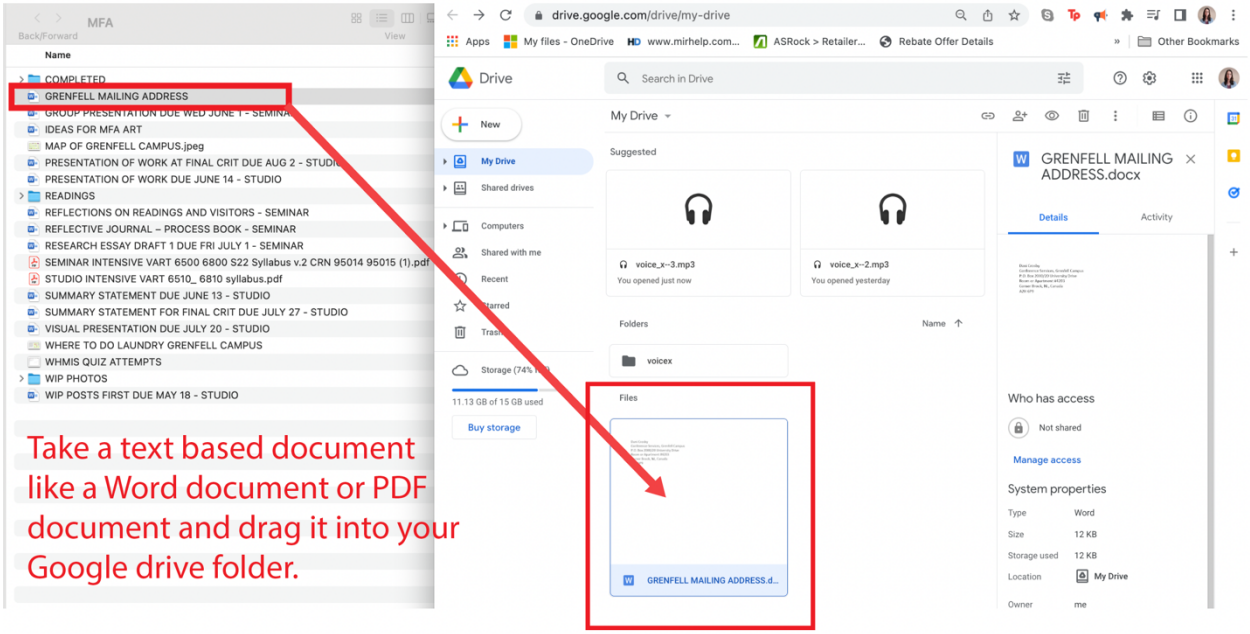
HOW TO: move your text-based documents into your Google drive folder so that they can be read aloud by the Read Aloud extension

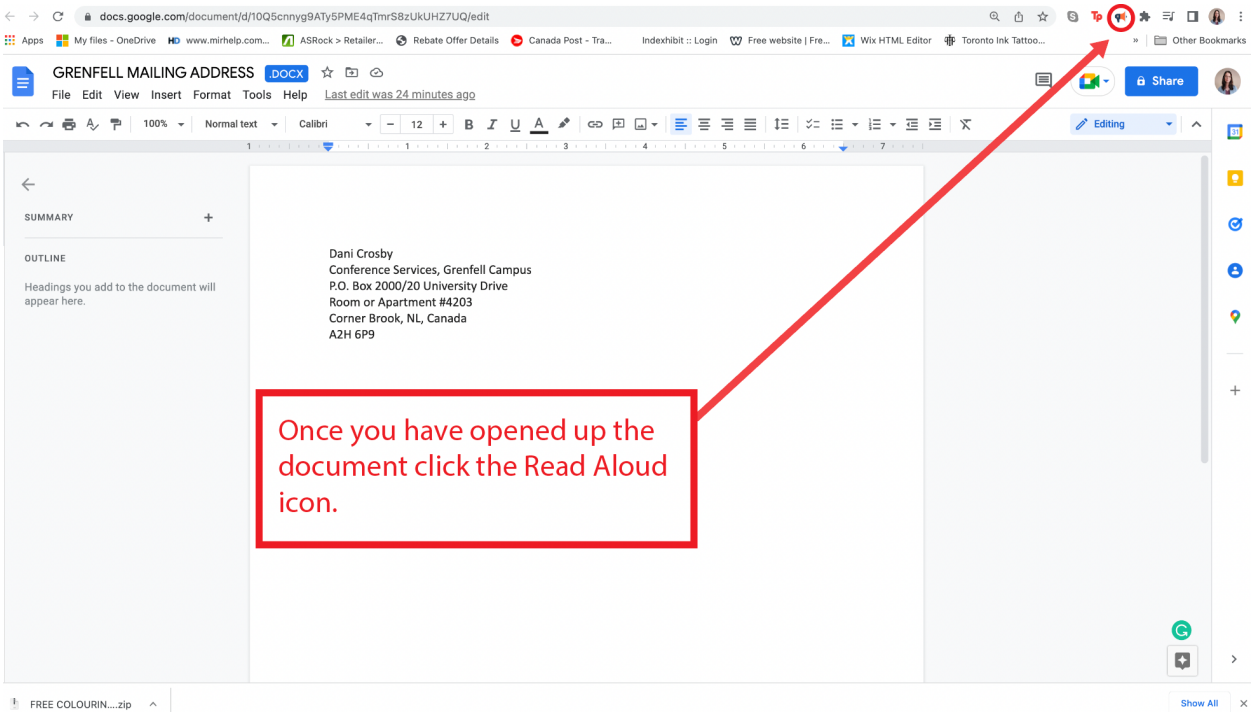
First go to your Google drive.

STEP 1: Go to drive.google.com

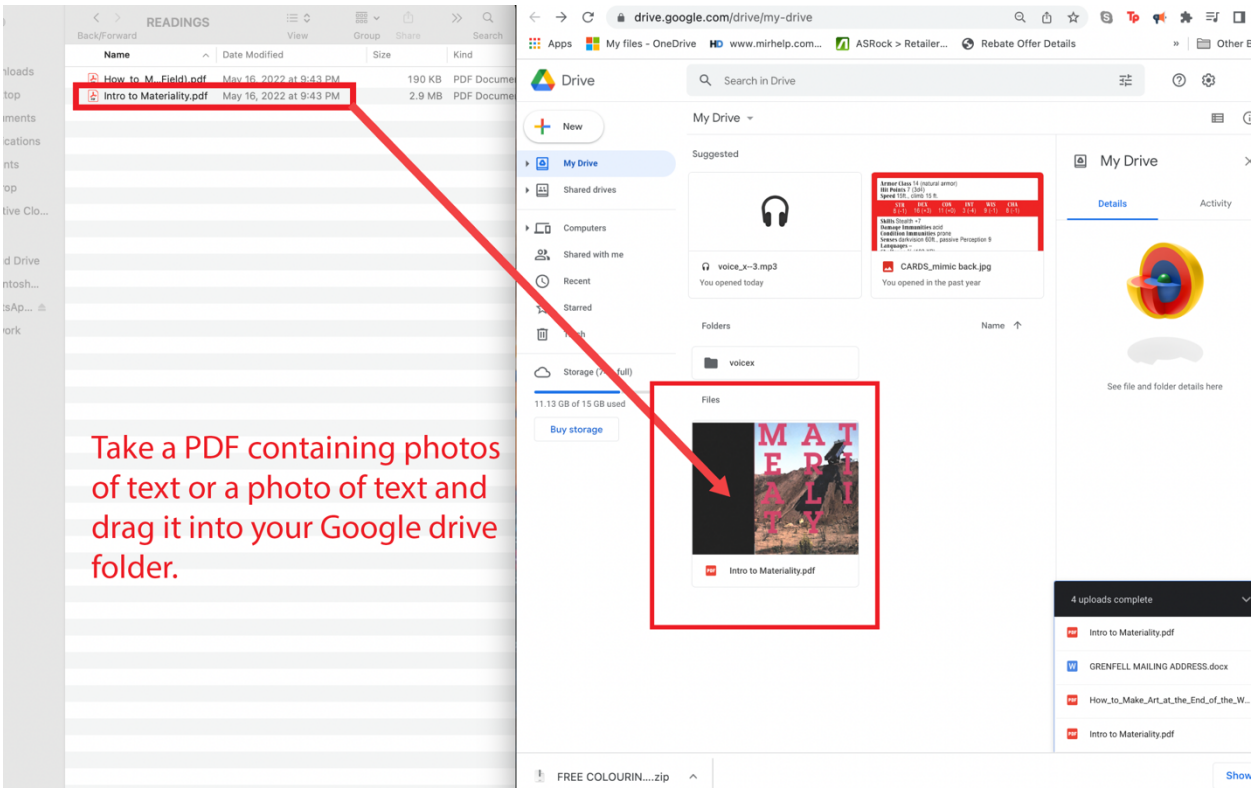
STEP 2: Log into your Google account with your username and password

Then drag a text-based document into your Google drive.

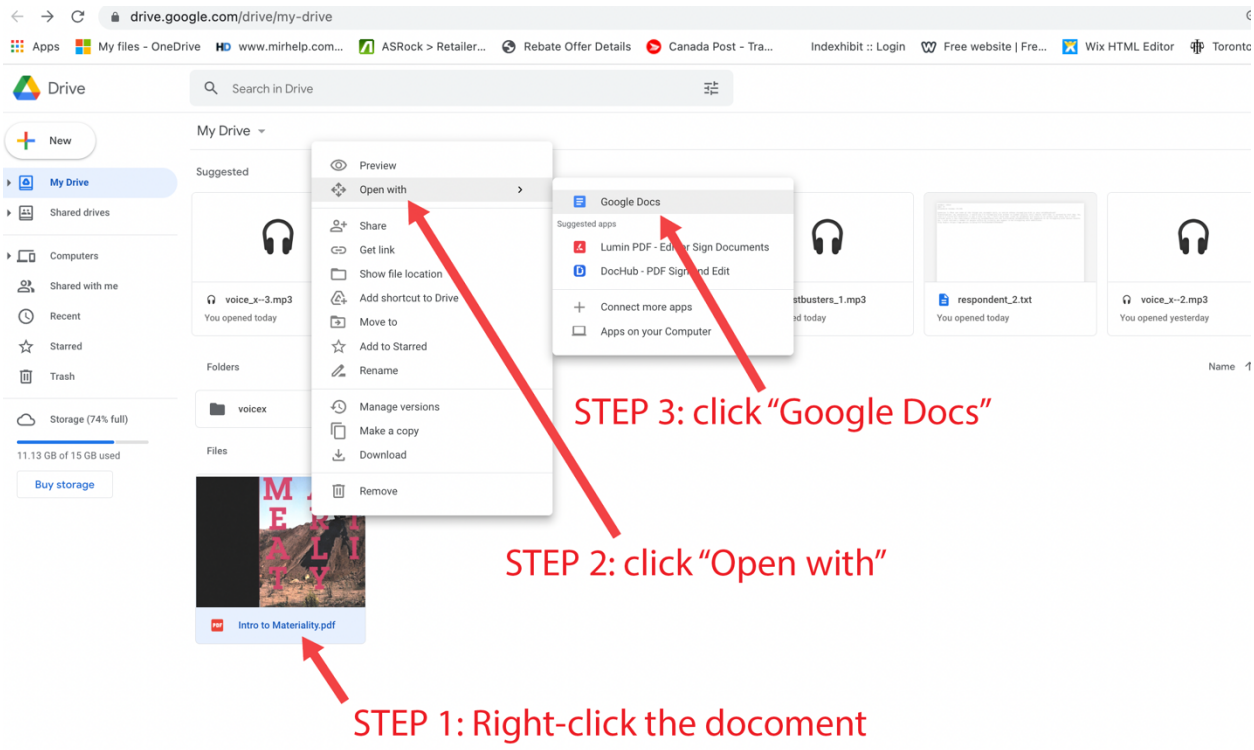




HOW TO: turn a photo of text into a text document that can be read aloud by the Read Aloud extension



Intro to Materiality.pdf
Take a PDF containing photos of text or a photo of text and drag it into your Google drive folder.
drive.google.com/drive/my-drive
Drive
Search in Drive
My Drive
Intro to Materiality.pdf



The document will convert and look like this. Then click the Read Aloud icon and it will be read to you.
